Description

PEARANCE AND PROPERTIES

A honey coloured wax texture. A nourishing base of beeswax, macadamia and apricot oil to moisten the driest of lips. Combining the healing powers of honey and Centella Asiatica quick relief is guaranteed for cracked chapped lips. With SPF 15 it will protect against sun, wind and cold climate conditions while leaving a soft glossy finish.

KEY INGREDIENTS

- Centella Asiatica: great on cracked, chapped or damaged lips.
- Honey: soothing and hydrating. Adds flavouring.
- Octyl Methoxycinnamate: SPF 15. Absorbs UV rays.
- Beeswax, Macadamia and Apricot Oil: to nourish and lubricate.

APPLICATION

Apply frequently to the lips as required. Great lip conditioner with sun filter and healing properties
