Very hydrating with a glorious, natural fragrance

Description

RICH NOURISHING COCONUT VANILLA BODY CREAM

Skin friendly for all skin types

APPEARANCE AND PROPERTIES

A soft white cream with Coconut/Vanilla fragrance. Formulated to impress even the most discerning customers. With certified organic Jojoba and Macadamia Oils and Shea Butter and natural seaweed extract, Centella Asiatica and Aloe Vera this product is as natural as practically possible and as skin friendly as possible. It has a softer texture but not too soft and will leave skin all over the body instantly super smooth, nourished and hydrated with not a trace of oiliness left on the skin. And its got the most yummy coconut/vanilla fragrance making it a sheer delight to apply. And for those customers who prefer it ... there are no parabens, mineral oil or propylene glycol.

KEY INGREDIENTS

Certified Organic Jojoba Oil, Macadamia Oil and Shea Butter: to nourish, hydrate and soften skin.

Natural Aloe Vera: to keep skin intensely hydrated.

Seaweed Extracts: to supply natural valuable minerals and vitamins for healthy skin.

Centella Asiatica: for regenerating and revitalizing skin.

Allantoin: for its soothing properties

APPLICATION

Apply whenever and wherever necessary particularly morning and night.
