KEY INGREDIENTS

5 Fruit Acids in a 7% concentration : being Lactic, Glycolic, Citric, Malic & Tartaric
Allantoin : Soothing any irritated skin

Chamomile : Soothes and calms the skin

APPLICATION

Massage gently into facial skin and neck for about 30 seconds, first thing in the morning and last thing at night. Rinse well.

CAUTION Do not apply close to the eyes. If this cleanser does get into eyes flush thoroughly with cool water. A slight tingling may be felt. This is natural. If redness or sensitivity is experienced discontinue use.

Our advice ~ For an intensive refining of the skin and even a visible reduction in the appearance of fine lines and wrinkles use our Fruit Acid Moisturising Cream or Fruit Acid Hand & Body Cream twice daily as well. You won't have to wait long to see results.
