Description

PROTECTION MOISTURISER (with sunscreen)

Hydrating and nourishing, very light texture leaving a matt finish and with sun protection for all skin types especially dry

APPEARANCE AND PROPERTIES

A very light textured cream with absolutely no oily feel that fully penetrates the skin instantly. The very comprehensive formula provides optimal hydration and nourishment to care for the skin. For even greater anti aging protection it contains sunscreens and an anti oxidant that help block out the harmful effects of the sun. Hydrated and protected the skin maintains its radiant youthful look with a very matt finish.

KEY INGREDIENTS

Hyaluronic Acid: Attracts moisture and helps skin maintain it.

Aloe Vera: Keeps skin beautifully hydrated, soft and smooth

Methyl Gluceth-20 & Jojoba Oil: Nourish skin and control dryness.

Wheatgerm Oil: Powerful anti oxidant to help reverse sun damaged skin.

Ethylhexyl Methoxycinnamate: Powerful protection from the suns damaging UVB rays

without irritation.

Titanium Dioxide: Powerful protection from the sun's damaging UVA and UVB rays without irritation. The sun protection from this moisturizer is equivalent to about SPF20.

DIRECTIONS

Apply as your daily moisturiser particularly if spending time outdoors.
