Description

MICELLAR CLEANSING WATER All skin types including sensitive

APPEARANCE AND PROPERTIES

A PERFECT AND COMPLETE CLEANSER FOR FACE, EYES, LIPS AND NECK. A colourless, non oily clear solution. It contains 1000s of micells which are tiny microscopic bubbles which surround and trap impurities when applied to the skin such as dirt, pollution, make-up etc. These impurities are then absorbed by the micells and smoothed away with a cotton pad leaving skin beautifully and perfectly cleansed. No need to rinse as no trace is left on the skin. Its action is so gentle that it is even suitable for very sensitive skin. Also rubbing is not necessary.

AN EXTRA BONUS: It contains the renowned Algo3 Complex which mineralises the skin at the same time

KEY INGREDIENTS

Decyl Glucoside: A mild cleansing surfactant to cleanse away all oily make-up as well as all water soluble impurities

Polysorbate 20: Also a mild cleansing surfactant.

Gulf Stream Seawater, Chondrus Crispus and Alaria Esculent Sea Plant Extract with lots

of natural vitamins and minerals to mineralise the skin.

APPLICATION

Soak a cotton pad or something similar and smooth over face, eyes, lips and neck morning and night. No Need to rinse.
