Short Description

for a radiant glow. Skin is left fresh, relaxed and perfectly cleansed

Description

CARESS CLEANSER Démaquillant Caresse

APPEARANCE AND PROPERTIES

This light green cleanser is the number one beauty step for thoroughly clean skin as it dissolves traces of make-up, pollution and dirt. It is well tolerated by sensitive skins (used twice a day), and it respects the moisture balance, cleansing gently and perfectly.

The Caress Cleanser has been specially formulated taking into account the specific needs of sensitive skin. The Marine Algae provide a better alternative to all chemical, mechanical and thermal aggressions by protecting and desensitising the epidermis. Its action is strengthened by: Corn Oil, Camomile, Cornflower and Calendula extracts. While respecting sensitive skins it gives them softness and freshness day after day.

KEY INGREDIENTS

Laminaria ochroleuca extract: see "Sensitive Skin Introduction"

Adjusted concentrations of the 3 ingredients creating the exclusive natural Algo3

Complex: Chondrus Crispus: Gulf Stream Seawater: Alaria Esculenta:

Sea Salt: Natural vitamins and minerals from the sea.

Corn Oil: Essential fatty acids of Corn Oil modified by a natural process. It reduces or suppresses reactions provoked by the harsh element that irritate a sensitive skin and

improves the cutaneous tolerance.

Sweet Almond Oil: Natural oil with softening and nourishing properties.

Chamomile & Calendula Extract: It restores the balance of the sensitive epidermis, reduces redness, calms irritations and softens the skins.

APPLICATION

Sensitive skin types. Apply gently and rinse gently but thoroughly. Use morning and last thing at night and follow with Soft Freshness Lotion.
