Description

FOAMING GEL CLEANSER (Gel Moussant)

APPEARANCE AND PROPERTIES

An orange gel with a light citrus fragrance of Essential Oil. This gentle 'Foaming Gel Cleanser' emulsifies into a light and pleasant mousse to provide the perfect cleansing. Its active ingredients are cleansing, purifying and astringent to eliminate pollution, impurities, sebum, excess oil and makeup. It is perfectly adapted to treat oily skin; tightening pores and refining the texture of the skin without dehydration. The 'Foaming Gel Cleanser' is the first step in the treatment of oily skin, gently freshening the skin with its natural fragrance of lemon and orange. The 'Foaming Gel Cleanser' leaves the skin balanced, healthy and smooth without residue.

KEY INGREDIENTS

The Algopure Complex: Developed by Algologie, this complex associates the powerful plant extracts of: Ivy, Watercress, Soapwort, Sage, Great Burdock and Lemon. Along with the marine algae Phyco LD (Laminaria), the anti-acne Phycosaccharide (Zinc) and Vitamin B6, it dissolves away excess oil, purifying the epidermis, thereby stopping the

proliferation of bacteria and the development of pimples and blackheads.

Glycerin: Humectant and emollient

Cleansing Agents: Non-soap gentle cleanser.

APPLICATION

Emulsify a small amount in the palm of your hand with a little water to form a creamy mousse and work in circular movements on the face and decolté (avoiding the eye area).

Rinse with warm water and pat the skin dry. Follow with the Purifying Toner.

Avoid the eye contour.
