Description

MULTI TREATMENT CREAM

for skin beginning to show the signs of ageing

APPEARANCE AND PROPERTIES

A white highly concentrated cream with a soft, light texture. Specially formulated to slow down the signs of ageing with penetrating collagen and elastin to prevent cellular breakdown due to the ageing process, providing rapid visible results in the skin. This moisturiser reduces signs of fine lines and wrinkles giving a smoother younger appearance to all skins.

KEY INGREDIENTS

Marine Collagen: derived from fish. Firming and hydrating

Elastin: improves elasticity of skin

Wheatgerm Oil: rich in Vitamin E, excellent anti-oxidant, very nourishing.

Dimethicone: a sealant to prevent moisture loss.

APPLICATION

Apply to a thoroughly cleansed face and neck morning and night after Mist of Roses.

Our advice ~ use after Collagen Fibre Sheet Masks.
