Description

FRESH SEAWATER MIST

Embruns De Mer the power of the ocean in a fine mist spray for all skin types

PROPERTIES

Pure, natural, fresh seawater. No colour or fragrance. The Fresh Seawater Mist is a must in every home and office. A very refreshing treatment spray, it's a tonic, cool and stimulating. The Fresh Seawater Mist is rich in oligo-elements, minerals and vitamins. It purifies, restores balance in the skin and revives the cells with each spray. It revitalises, hydrates and balances all skin types. Seawater Mist should be applied several times a day, particularly for those with pimples and oily skin to control the overproduction of oil and act as an anti-bacterial. It is also ideal to freshen and hydrate while travelling (especially by air), in air-conditioned offices, on rising and just before bed times. Great for summer and after sporting activity as an hydrating treatment.

KEY INGREDIENTS

Adjusted concentrations of the 3 ingredients creating the exclusive natural Algo3 Complex: Chondrus Crispus: The seaweed extract providing proven rapid hydration. It also increases the water concentration in the epidermis. Gulf Stream Seawater: Pure and fresh with lots of natural vitamins and minerals to nourish and remineralise the skin.

Alaria Esculenta: Another seaweed extract with anti-oxidant properties to protect against free radicals.

APPLICATION

Spray about an arms length from the face for 3 seconds. Wait 1 minute and blot gently if necessary. A true flash of vitality.

Helpful hint: spray before and after (lightly) the application of makeup for a natural radiant look
