

Soothing Serum 30ml

Brand: Algologie

Price From: \$74.00

Short Description

Revitalises skin dramatically but gently

Description

ACTIVE NIGHT SERUM (Sérum Nuit Active)

APPEARANCE AND PROPERTIES

A pastel-green serum. A serum is more concentrated than other products and is therefore a terrific boost to clients going on to sensitive skin products. Night time is a good time for application because the skin is away from external aggressions. This serum releases its active ingredients gently and thoroughly all through the night. The combination of 3 Essential Oils Marjoram, Shiu and Sandalwood, Aloe Vera and Plant Extracts Linden, Camomile, Cornflower and Calendula make the serum perfectly suitable for sensitive skin and its calming action is felt straight away. Its action is reinforced with Vitamin B5 so that in the morning the skin apart from being rested is smooth and soft, the complexion clear, uniform and younger looking.

KEY INGREDIENTS

Laminaria ochroleuca extract: see “Sensitive Skin Introduction”

Adjusted concentrations of the 3 ingredients creating the exclusive natural Algo3

Complex: Chondrus Crispus: Gulf Stream Seawater: Alaria Esculenta:

Sea Salt: Natural vitamins and minerals from the sea

Corn oil: modified by a natural process. It reduces or suppresses reactions caused by aggressions which irritate a sensitive skin.

Glycerine: Moistening and hydrating to make the skin less rough and more supple.

Aloe Vera Gel: Legendary for its unique properties to calm and moisturise dry, irritated or damaged skin.

Linden Extract: Emollient and softening properties. Used particularly for dry, delicate and irritated skin.

Vitamin B5: For a distinctly younger looking skin.

Sandalwood Oil: Selected for its beneficial revitalising properties and for its fragrance.

Bisabolol: Softening and very calming properties.

Calendula & Chamomile: Soothes and calms the skin.

APPLICATION

Apply a fine layer of Serum with light circular massages in the evening after the cleanser and lotion. It replaces the night cream and may be used nightly.
