Description

Redensifying & Plumping Cream

APPEARANCE AND PROPERTIES A rich soft cream Easily and quickly absorbed releasing its contents without even a trace of oiliness and providing global action against all signs of mature skin aging.

KEY INGREDIENTS Algo 4 Complex: Comprised of Undaria Pinnatifida (Brown Algae) , Porphyridium Cruentum (Red Micro Algae), Alpine Sea Holly and Sea Fennel. To protect, oxygenate, nourish and stimulate the skin. Hyaluronic Acid: Outstanding, unequalled hydrating properties. Chondrus Crispus & Laminaria Seaweeds: For an immediate soothing and firming effect and to stimulate collagen production. Antioxidant properties. Gulf Stream Seawater: Rich in 96 minerals & trace elements. Dictyopteris Oil: Stimulates facial adipocytes so as to plump the skin intensely. It provides a nourishing effect on our adipocytes so as to help restructure skin volumes. Volumes

become captured, lips are filled out and the appearance of peripheral fine lines and wrinkles is reduced. It also helps to increase bust volume. Tamarind: For longer lasting hydration.

APPLICATION Apply morning or night to face, neck and décolletage.
