Description

LIFT & LUMIERE FIRMING RADIANCE MASK

APPEARANCE AND PROPERTIES

Deliciously fresh, this soft cream mask represents the latest marine biotechnology research. It is particularly recommended for the over 40's.

Within 15 minutes of application it smooths the features, fades the appearance of fine lines and provides that typical radiant look. Its high moisturising power brings more comfort and extreme softness to the skin.

DOUBLE ACTION .. by remineralising as well as rehydrating it helps to stimulate collagen, Aquaporins and the moisture barrier.

STAR INGREDIENTS

Exopolysaccharide of microalgae plankton : Reproduced by Algologie's biotechnology. Because of their high molecular weight they fit into depressions in the skin surface to give a smoothed and plumped look.

Marine Sea Salts : High concentration of the necessary vitamins, minerals and proteins to remineralise the skin.

Tocopheryl Acetate : Important Vit E anti oxidant.

Salicornia Oil & Hazel Seed Oil : Nourish, soften and smooth skin while protecting against dehydration.

APPLICATION

Once or twice a week apply to face, neck and décolletage in a thick layer avoiding the eyes. Leave for at least 15 minutes before removing.
